SmokyTwo
Web Design and Hosting
Affordable Custom Websites

Our web designs are created to meet your individual needs. We do not use templates. All of our websites are custom designed. They are simple, well organized and easy to navigate. They are designed to communicate your message as effectively as possible.

Custom Web Design Fees
Each web design includes a minimum of five (5) pages of your choice for only $250.00. You can add additional pages for only $45.00. Annual renewal is $175.00.

Web Hosting Fees
Annual web hosting fees begin at $125.00 . . . that includes setting up and maintaining your account, establishing private email accounts, provide email documentation, unlimited disk space and bandwidth. FREE domain search. Monthly visitor stats.

Web Maintenance Fees
First 30 days of web maintenance is free. Website correction of errors is free at any time. Adding new pages or redesigning an existing page will be $45.00.   Minor changes in content will be $25.00 per page. Regular scheduled weekly changes in content will be $45.00 per month.

Our pricing is affordable. You can have a website (5 pages) up and running for under $400.00. Your annual renewal would be about $300.00. SmokyTwo started as a hobby so we are not in business to make a fortune. We enjoy web design and offer discounted pricing to individuals, churches and small businesses who cannot afford a big web design company.
